2 Piece Boom

The Arrow II line of antennas has been engineered to provide maximum gain and efficiency in the smallest practical size & weight.

Aluminum **Arrow Shafts** are used for elements.

The in-line gamma match is pre-assembled & pre-tuned. BNC connector only.

The boom is $\frac{3}{4}$ " square (with round corners) 60" long.

Boom & elements all have plastic tips for safety.

Guarantee

No hassle refund

If you are not completely satisfied with any ARROW ANTENNA Product it can be returned for a FULL refund less shipping and handling within 90 DAYS of purchase date.

SIMPLY THE BEST
